HARDING
PLUNGES
INTO HIS
VACATIONArrives At Little Town on Texas
Coast And Will Forget All
Worries For Two WeeksIndicates No Truth in Reported
Conference With Mexicans

(By Associated Press)

On Board President-elect Harding's Special Train, November 8.—Coming to Texas for a vacation after the trying requirements of his campaign President-elect Harding declared today he was determined to put aside thoughts of his coming responsibilities and to give himself over for the next two weeks to complete rest and recreation.

He told his friends he expected to stay on the front porch and to cease temporarily to be more than a second rater in the day-to-day columns of the daily newspapers.

From the time of his arrival at Point Isabel, a small and remote village on the Texas coast, he was ready to plunge into the swing of a real vacation.

The fact that Point Isabel lies only six miles from the Mexican border has given rise to many whisperings of possible conferences between the new President-elect and representatives of the new regime in Mexico.

Mr. Harding, however, said today no such conferences "were in prospect" and that he had heard them expressed only in newspaper speculation.

The same attitude was taken by the President-elect toward published suggestions that he might begin before his inauguration, conferences with European powers regarding the peace treaty.

PAIR ACCUSE
EACH OTHER OF
KILLING CLERKCamden County Officials To
Take Charge of Murder CasePair Admit Robbing Bank Run-
ner After Murdering Him.

(By Associated Press)
Camden, N. J., November 8.—Camden county authorities will claim jurisdiction in the case of the murder of Davis S. Paul, a Camden bank runner who, according to the police, was killed by Frank J. James and Raymond Schuck, of this city.

In the alleged confessions James and Schuck accused each other of killing Paul. The murder was committed in daylight in a motor car in this city after Paul, who was on his way to a Philadelphia bank with \$95,000 in cash and bonds, had been invited to ride to the ferry. The body, according to the alleged confessions, was hidden in a creek in the Jersey pines and nine days later the two men returned and dug a grave and buried it. Schuck's confession stated he and James buried their work and did not dig the grave deep enough, leaving a mound where the body was covered over. It was this mound a party of farmers saw and thinking someone had buried a deer, dug to open and revealed the murder.

Sixty-five thousand dollars in cash was found hidden in Evergreen cemetery near here.

GREEK THRONE IS
OFFERED YOUNG
BELGIAN PRINCE

Prince Charles of Belgium.

Recent reports state that Prince Charles of Belgium, second son of King Albert, has been offered the throne of Greece. It is said now that Prince Paul, ex-King Constantine's son, has refused the offer of the throne because Premier Venizelos would still retain his power.

HARDING WILL
SAIL ON FRUIT
COMPANY BOAT

(By Associated Press)

New York, November 8.—President-elect Harding will sail from New Orleans, November 18th, for the Canal Zone, on board a United Fruit Company steamer. Returning he will be landed at Norfolk, December 4th.

RESULT STILL
MUCH IN DOUBT
IN TENNESSEEDemocrats and Republicans
Claiming Victory For Con-
gressOfficial Count is Necessary To
Settle Result.

(By Associated Press)
Memphis, Tenn., November 8.—The political alignment of the Tennessee congressional delegation was expected to be determined by the official canvass today of the vote cast in last Tuesday's election in the 4th and 8th congressional districts where unofficial returns showed the race close between the Republican and Democratic candidates.

In the fourth district unofficial returns indicated a close contest with neither Cordell Hall, Democrat, nor his Republican opponent, G. F. Clouse conceding defeat.

In the 8th district both Gordon Browning, Democrat, and Lon A. Scott, Republican, claimed election in advance of the official count.

In five other districts the election of Democrats was generally conceded with the Republican candidates successful in three.

(By Associated Press)
Minneapolis, Minn., November 8.—Flour prices today continued their downward slide and reached what millers said were pre-war prices. At one mill here family patent flour declined 40 cents a barrel to a new low price of \$10.

This quotation was for carload lots in 98 pound cotton sacks.

TYPHOID
SPREADS
RAPIDLY
IN SALEMTwenty-Five New Cases Appear
Over Sunday and Dozen
More Listed Early MondayHundreds of Persons Seriously
Ill And Numerous Deaths
Have Occurred

(By Associated Press)

Alliance, O., November 8.—Twenty-five new cases of typhoid fever developed in Salem Sunday, and this morning about a dozen other cases have been reported, bringing the number up to nearly 400 well defined cases.

Many other citizens are ill but fever has not developed.

Emergency hospitals have been established and every possible effort made to care for the patients. Nine deaths have resulted thus far.

One hundred and fifty nurses are kept busy day and night and Health Officer Dr. E. Schwartz has appealed to Governor Cox to send other nurses to Salem.

The source of the contagion is not yet ascertained. It was at first thought the fever developed from water contaminated by tile piping and it is now believed to be due to a break in sewerage piping, emptying into city water.

NO REQUEST IS
MADE TO COX

(By Associated Press)

Columbus, O., November 8.—No request for additional nurses to be sent to Salem to assist in fighting the fever epidemic has been received at the Governor's office, it was announced today.

The situation at Salem is being closely watched by the state department of health which received information Saturday that the crisis had passed.

BACKER PLEADS
NOT GUILTY TO
PERJURY CHARGEMillionaire Involved in Inquiry
Arraigned

(By Associated Press)
New York, November 8.—Geo. S. Backer, millionaire builder, today pleaded not guilty when arraigned on charges of perjury growing out of his testimony before the Lockwood Committee investigating activities of New York's alleged building trust.

Backer is accused of having testified falsely in regard to his disposition of a sum of money which is alleged to have changed hands in the course of a building contract.

NICKEY GIVEN
HIS FREEDOM

(By Associated Press)

Washington, November 8.—Reversing the Federal District Court the Supreme Court today ordered the release of Julius W. (Nickey) Arnstein who has been imprisoned in New York since August 10th on charges of contempt following his refusal to answer questions put to him.

Arnstein's name was connected with operations of an alleged "ring" of bond thieves in the New York financial district.

BELIEVE
BUDGET
WILL BE
REDUCEDEstimates Made by Democrats
Expected To Be Sliced By
New AdministrationSituation Eight Years Ago Re-
called by That of Present

(By Associated Press)

Washington, November 8.—Estimates upon which Congress will make appropriations for the first fiscal year of the new Republican administration are now being prepared by the various government departments under the direction of Democratic cabinet members and in accord with the policies of the Wilson administration.

The estimates will be submitted to Congress at the opening of the next session on December 6th. Since the Republicans have a majority in both houses sharp changes are expected to be made in most of the estimates under revision plans which Republican congressional leaders are expected to work out in co-operation with other officials of the Harding administration.

The present political situation is similar to that which obtained eight years ago after the first election of Woodrow Wilson, but the economic situation is vastly different. At that time the Republicans were in control of the legislative branches of the government under President Taft but the Democrats had a majority in both Senate and House.

At that time, however, conditions were generally normal and government expenditures were only a fourth of what they are at this time.

DEFENDANTS
LOSE CASES

(By Associated Press)

Peoria, Ill., November 8.—Defendants in the coal conspiracy cases in the United States Court at Indianapolis today lost their case in the Federal court here in which they sought to enjoin officers of the government from removing and prosecuting them at Indianapolis on the grounds that section nine of the Lever act was unconstitutional.

MINISTER KILLS INN
KEEPER IN RUM RAID

Windsor, Ont., November 6.—Whether Rev. J. O. L. Spracklin, pastor of the Methodist Episcopal Church of Sandwich and a leader of prohibition enforcement agents, along the border must stand trial for the slaying early today of Beverly Trumble, an inn proprietor, is to be determined at a coroner's inquest. Crown Attorney Rodd announced he would take no action against the minister-license inspector until the coroner's jury has rendered a verdict.

In a statement to police officers, Spracklin said he shot Trumble in self-defense. Trumble's widow and several friends declared Trumble was unarmed. Local police, said they had been unable to find the pistol Spracklin says the dead man fired at him.

Testifies.

(By Associated Press)
Indianapolis, November 8.—At the request of the government the conspiracy case against 125 soft coal miners and operators of Indiana, Ohio, Illinois and western Pennsylvania was continued when called in the United States District Court of Judge Anderson this morning.

Judge Anderson then started upon his investigation of Attorney General Palmer's connection with the case at one time declaring: "I am going to find out whether the Attorney General can hamstring a case in this court."

Dan W. Nimms of LaFayette, Indiana, who recently resigned as special assistant district attorney in the case was the first witness called.

BASEBALL PEACE
NOW IN SIGHT

(By Associated Press)

Chicago, November 8.—Peace in organized baseball was believed in sight today when Ban Johnson, president of the American League and his "loyal five" club owners went into session at the same hotel where the National League magnates and three minority American League owners were meeting.

Clark Griffith, one of the "loyal five" accepted an invitation to attend the rival meeting and discuss plans for reorganization of the National commission.

SUPREME
COURT'S
LIQUOR
RULINGLiquor For Personal Use May
Be Stored Elsewhere Other
Than in HomeDecision Handed Down in Case
From New York City

(By Associated Press)

Washington, November 8.—Liquor lawfully acquired by a person for his personal use may be stored in a place other than his home, under a ruling today by the Supreme Court.

Justice Clarke, who made the decision, also held the transportation of lawfully acquired liquor from a warehouse to the home of the owner did not constitute transportation within the meaning of the enforcement act. The Court's decision was on an appeal brought by Wm. G. Street, New York City, from lower court decrees refusing an injunction prohibiting federal prohibition officers from seizing liquor he had stored in a room leased from a safe deposit company. The Court declared Congress did not intend to prohibit such storage.

MAY BE CONTINUED
FOR THREE YEARS

(By Associated Press)

Washington, November 7.—The nation will face a continuation of the annual tax bill of \$4,000,000,000 for the next three years if Congress adopts recommendations drafted by treasury officials and which, it was understood tonight, have been laid before Secretary Houston for approval.

Mr. Houston it was stated, probably will include such recommendations in the form of an analysis of the government's financial condition in his forthcoming annual report to Congress.

The analysis will show, and accompanying recommendations will suggest, it was said, that a three-year program for tax revision is required in order to meet maturing government obligations and cover current expenses.

WILSON
WORKING
ON HIS
MESSAGEAnnual Message to Congress
Will be Presented on Open-
ing Day of SessionWill Urge Enactment of Recon-
struction Measures Previ-
ously Presented

(By Associated Press)

Washington, November 8.—President Wilson has begun work on his annual message to Congress which will be transmitted either on the opening day on December 6 or on the day following.

White House officials said today they had no information as to what recommendations the President plans to make to Congress, but administration officials expected he will again urge enactment of reconstruction measures which he recommended at the first session last year.

HOLD FUNERAL
OF YOUNG WIFE
— KILLED BY COPPoliceman Fired At Thief And
Ball Killed Woman on Street"Nest Egg" Provided For The
Little Tot Left Motherless

(By Associated Press)

New York, November 8.—The funeral today of young and pretty Mrs. Dolores Difilco was one of the handsomest the east side has seen in a long time.

And next to Frank Difilco, her war hero husband, perhaps the most disconsolate of the mourners who followed the flower banked hearse with six snowy white horses was Patrolman Jim Kenny, by whose hand she had been accidentally killed.

Mrs. Difilco, herself a Red Cross worker during the war, left her new baby Saturday to go a short errand. As she crossed the street a bullet fired by Patrolman Kenny at a thief struck her down.

Against the patrolman had the dying woman rushed to a hospital but she never regained consciousness.

Then to soften the blow as much as he could for Frank and to ease the ache in his own breast, he started a subscription to provide for the funeral and leave nest eggs for the motherless baby.

HEALTH BOARD
SENDS ENGINEER
TO STRICKEN CITY

(By Associated Press)

Columbus, O., November 8.—W. H. Dittoe, chief engineer of the State Board of Health, and Dr. S. G. Bondreau, an inspector, left for Salem today to further investigate the typhoid fever epidemic which has raged there for a month, it was announced by A. W. Freeman, head of the State Board of Health.

INJUNCTIONS
ARE REFUSED

(By Associated Press)

Washington, November 8.—Injunctions restraining the Iron Molders' Union, Local No. 68 from interfering with the business of the Niles Tools Works Company, Hamilton, Ohio, were refused today by the Supreme Court.

U.S. CORN CROP 3,199,126,000 BUSHELS IN 1920

(By Associated Press)

Washington, November 8.—The corn crop this year amounted to 3,199,126,000 bushels, the Department of Agriculture announced today in its preliminary estimate of production. The quality is 7.7 percent above average.

LOTEN W. CHAFFIN CALLED BY DEATH

Heart trouble caused the death at half past two o'clock Sunday morning of Mr. Loten W. Chaffin, 65, at his home on Dayton Avenue.

The illness which finally terminated in his death fastened itself upon him last May in Lawrenceburg, Tenn., where he had resided for the last fourteen years, causing him to retire from active life and move to this city.

Mr. Chaffin was particularly well known in this county. The son of Solomon Chaffin, he was born and raised at the Chaffin homestead on the Jamestown pike about two miles from this city.

The wife, four sons and an adopted daughter, a sister and a brother survive: Otto, in Montgomery, Ala.; Lee, in Jacksonville, Tenn.; Guy, in Columbus; and Frank, one of the proprietors of the Chaffin & Miller shop on South Fayette street; the adopted daughter, Mrs. Nora Rutenberg, lives in Topeka, Kansas, but has wired that she will be unable to come because of sickness; the brother is Mr. H. D. Chaffin, of Columbus, noted lodge man; and the sister, Mrs. Tabitha Dixon, resides here.

Funeral services will be held at two o'clock Tuesday afternoon at the Presbyterian church and burial will follow in the Washington cemetery.

WOMEN WHO NEED STRENGTH

Should Read And Consider These Facts

Why will women continue to drag around sickly, nervous, ailing tired all the time, no energy or ambition to do any thing when it has been demonstrated over and over again right in our midst, that Vinol, the cod liver and iron strength-creator and body-builder will make rich red blood, quicken the circulation and restore strength, vitality and energy to every organ and muscle of the body.

If women would only stop and consider that their weakened, sickly, ailing condition is almost always caused by poor blood and how quickly Vinol increases the red corpuscles and enriches the blood druggists in this town would not be able to supply the demand.—Adv.

WOMAN'S DEATH IS CAUSED BY HEAD LIGHTS

Mrs. E. L. McVey, of Sabina, Killed Almost Instantly And Husband Badly Injured.

Blinded by Spotlight And Machine Plunged Over Bridge Near Sabina.

A brilliant spotlight, or headlights on a machine, caused the death of Mrs. E. L. McVey, serious injury of her husband and less serious injury to their son Wilbur, near Sabina Saturday night, according to reports from that place.

The McVey machine was being driven back to the McVey home from the home of their son, Wilbur, who lives a few miles south of Sabina, and when approaching a small bridge Mr. McVey, it is stated, was blinded by the lights of an approaching machine, and plunged over the abutment, overturning and catching the occupants beneath the machine.

Mrs. McVey was injured so that she died a few minutes later, and Mr. McVey had several ribs broken and it is feared was injured internally. Their son escaped without serious injury.

Mr. McVey was removed to his home and the body of Mrs. McVey was taken to the McVey home.

Mr. and Mrs. McVey are known in this city and have many friends here and in western Fayette county.

In addition to the son, Wilbur, Mrs. McVey is survived by the following children: Mrs. Tom Sexton, Hillsboro, Ind.; Mrs. Earl Jackson, O.; Christopher, near Wilmington; Mrs. Herman Snider, Sabina; Mrs. Thurman Johnson, South Charleston; Mrs. Van Moore, Dayton; Mrs. Arthur Rodgers, Dayton.

Funeral services for Mrs. McVey will be held Tuesday.

DIVINE SERVICES OF MARKED INTEREST

The Rev. Harry H. Blocher, of the Forest Avenue Presbyterian church, of Zanesville, for the second time on Sunday filled the pulpit of the First Presbyterian church of this city most acceptably.

Rev. Blocher conducted an impressive communion service in the morning and delivered a fine evening sermon. Mrs. Walter Meek, of Denver, Colo., added much to the pleasure of both services in vocal solos, her rarely beautiful voice, charged with sympathy, and artistic interpretation alike appealing to her listeners.

There were large congregations at both services.

JOINT MEETING HELD FRIDAY NIGHT

The Sugar Grove W. C. T. U. and the Community Circle of Wilson Centralized school on the Greenfield pike will hold a joint meeting Friday evening at the school. A program and supper served cafeteria style will be enjoyed.

LAST SUMMONS COMES AFTER LONG ILLNESS

Mrs. Christine Meier, widow of the late Frederick Meier, passed away quietly shortly after two o'clock Saturday afternoon at her home on the corner of North Main and West Temple streets. Mrs. Meier has been in poor health for some time, her illness reaching an acute stage some weeks ago. Throughout her long illness every care as well as the securing of medical attention and nursing was given to her by her devoted family circle, but proved unavailing.

Three children survive the mother, Fritz Meier, Mrs. Will E. Dale and Mrs. George Gregg.

Mrs. Meier was born in Baden, Germany, where she was married and came to the United States a bride on her wedding trip. Friends in the old country having located in this city, Mr. and Mrs. Meier joined them here, Mr. Meier being in the employ of the early firm of Brownell Brothers and associated with them as long as his health permitted the active business life.

For fifty-five years Mrs. Meier lived on the same corner, Mr. Meier having purchased the entire half block when, except for the house in which the family lived before the building of their present home over thirty years ago, there was only a single log cabin on the two squares.

Although Mrs. Meier always enjoyed and was interested in her friends,

her deepest interest was in her home and to it and her family she gave the most conscientious attention. One sister survives in Germany and one in this country, Mrs. John Boutiller, of Louisville, Ky., who with her son-in-law, Mr. Joe Buddell, of the same city, are here.

Funeral services will be held at the home Tuesday morning at ten o'clock, Rev. J. L. McWilliams, of Wilmington, officiating. The burial will be made in the family lot of the Washington cemetery by the side of the husband, who preceded her ten years ago.

WAS NOT AWARE DAUGHTER MARRIED

Sheriff Hall Saturday night was appealed to by a resident of Fayette county to recover his daughter, who was said to have started for parts unknown in company with a certain young man.

The couple were located at Elber, where they were visiting friends, and summoned to the court house where it developed that they had been married in Highland county by representing that the girl lived in Greenfield. After learning that the couple had been married, the father withdrew his objections, and all departed together.

COMMON PLEAS COURT IN SESSION

PASTOR IS NAMED TO WALNUT STREET

Bishop William F. Anderson has appointed Dr. Kelly Jenness as the pastor of the Walnut Street M. E. Church, Chillicothe, to fill the vacancy due to a misunderstanding when Bishop Anderson appointed Rev. F. E. Ross, formerly of this city, to the church.

Bishop Anderson characterizes Dr. Jenness as: "a man's man, a good mixer who puts himself with enthusiasm into the life of church and community, an excellent preacher, a wide reader, forward looking and up-to-date, evangelistic in the best sense, and places strong emphasis upon the social interpretation of the Gospel." Dr. Jenness comes from the Tremont Street M. E. Church, Boston, Mass.

Working Hard Every Day Without
Let-up Wears You Out in Time

SOMETIMES YOU NEED A TONIC

Pepto-Mangan Makes Rich Red Blood
And Lifts You Out of Bad
Health Ruts

There are days when you feel down right sick. You think you couldn't feel any worse. Yet, as far as you know, there's nothing the matter with you. From the time you get up in the morning (ill you go to bed at night you are tired. You feel as though you'd like to sit down and do nothing. You look tired and pale and haggard. You get careless about your dress.

No wonder! Your blood is all clogged up with poison. Your power of resistance is at a low ebb. Your blood needs food. It needs the help that the vitalizing tonic, Pepto-Mangan, will give it. Instead of feeling exhausted and tired out for months you will soon pick right up and feel well and strong again. And with good red blood you are able to fight off ailments.

Pepto-Mangan is widely and heartily endorsed by physicians. It is effective and easy to take. It is prepared in both liquid and tablet form, and you can take one or the other and receive the same benefits.

Sold at any drug store. But be sure you get the genuine Pepto-Mangan—"Gude's." Ask for it by the full name and be sure the full name, "Gude's Pepto-Mangan," is on the package.

Delayed an Hour; What Does It Mean?

A hurry trip; must be there at a certain time—you jump into the car, push the starter pedal, and the motor won't budge. By the time you discover your battery is dead you've been delayed.

Makes no difference if it's business or pleasure, such occurrences are to say the least annoying. And they're unnecessary.

A Cooper Battery

is the surest way to stop delays caused by dead batteries, because the Cooper lasts longest and with proper care will give most satisfaction. Ask the man who is using one. Buy a Cooper and let our service care for it and your battery troubles are over.

War Heroes

Frequently realization of the rather surprising fact that the world war has left us no great hero; no one individual who stands out prominent above his fellow men as a popular favorite. Especially is that true so far as the United States is concerned, and realization of it cannot fail to arouse interesting speculation when we think about the future.

Every great war in the history of the world has developed and left its great national heroes who, for years, were made popular idols. The larger number of great heroes—the outstanding figures—of history have been warriors. The men who during their lives held positions of unrivalled popularity, the men who after their death, lived in statues of bronze and marble, whose fame and achievements were perpetuated in prose and verse, in song and story, whose likenesses were pictured by the painters and engravers have, the larger number of them, been war heroes.

The world war has served to raise peoples and nations and governments in public favor while the individual actors in the great drama have not been placed high on the pedestal of popularity. In fact, just the reverse has resulted. In almost every instance the great outstanding feature of this peace period following the war has been a remarkable expression of public opinion, as often as it has been called forth, while not hostile to the actors in the war, yet such as clearly indicated a determination by the people to elevate above his fellow men no popular war hero.

That fact, distressing as it appears in some instances, may be a tremendous aid to humanity in the effort to stop wars.

The outstanding human figures in the world war have, instead of being acclaimed popular heroes, been rather the tragic victims of the peace reaction following the war.

Many of those great war heroes whose fame has undergone an eclipse may live in history more as the heroes of peace time than warriors. If so the world will have gone far toward confining war to the histories of the past.

What It Means To You

The annual Red Cross roll call has become as much a part of the season as Thanksgiving itself, and its launching on Thursday, November the eleventh, is of national interest.

The magnificent work and untiring activity of the American Red Cross during the war blazoned the organization into the limelight of the public as it had not been before and many associate it with the exigencies of this period to the ignoring of its extensive operation before the war. Some people regard this roll call as an outgrowth of the war, forgetting that it was an established institution long before.

Unquestionably the great work that the Red Cross has done, and is doing, makes far stronger appeal to the American people since the world war threw its illuminating spotlight and brought more general realization of what this institution means to suffering humanity.

During the war everybody joined the Red Cross—a natural thing in doing one's "bit." It is just as important to enroll in 1920 for the peace program and constant disasters unforeseen make demands which only the American Red Cross can meet.

Recent reports show seventy-three disasters in this country which would have been doubly appalling without the Red Cross, always prepared with material, money, men and women to bring quick and efficient relief. Tornadoes, cyclones, earthquakes, cloudbursts, fires, floods, ship wrecks, explosions, such as the recent one in Wall Street, mean thousands of people homeless, thousands injured and suffering. Only an institution organized upon the magnitude of the Red Cross, with the support and sympathy of the American people back of it, could be equal to such emergencies.

There has been no cessation of "carrying on" with the Red Cross since the war. One of the chief lines of Red Cross work in time of peace has been its Health Service; at this time over thirty-six thousand nurses on its rolls.

The work of the Red Cross is too vital to the welfare of the world of which you are a part, to have any decrease in its roll call; with the added realization of its invaluable aid every family in the United States should be listed when the drive ends.

POETRY FOR TODAY

THE WEAVER OF RUGS

The Weaver of Rugs has dreamed a dream
A brooded the summer through;
With tender love he's plotted his theme
And now his dream's come true.

He's spread his carpet over the hills
Soft is its silken sheen.
Of red and the color of daffodils,
Of rose and orange and green.

And a patch of blue reflecting
The color of autumn skies;
The pattern vague but beyond compare
Are these clear, mysterious dyes.

It's knotted wrap in the ground below
Holds close its shimmering pile.
The Weaver of Rugs has dreamed it so,
And this is its Maker's smile.

The Weaver of Rugs has dreamed it dream
And brooded the summer through
Over the forest, field and stream
And now his dream's come true.

Fordson

The Fordson Tractor was made to meet the demand and necessities of the every-day American farmer. It was made with the thought that it was the necessity of the man of forty acres as well as the man with one thousand acres. It was made not only for plowing, harrowing, discing, drilling, seeding, mowing, reaping, but for all other work on the farm where power is necessary. It was made to bring conveniences to the farmer's home as well as for the cultivation of his fields. It was made to furnish power for the cream separator, silo filling, cutting feed, sawing wood, furnishing power for milking, washing, supplying the house with running water, electric lights, and the hundred and one things on the farm. It was made to do all this economically and in a reliable way. It was made to be the big profitable servant on the farm.

And it has not failed in any of the expectations had for it. It has been tested as no other Tractor has been tested. It has been proven reliable and can furnish proofs impossible to any other Tractor. It has done these things not only in America but in Europe, Asia, Africa, and in the Islands of the Seas. It has met successfully the demands of farmers in every part of the civilized world.

Therefore, the Fordson Tractor can meet all the conditions of your farm. When you buy a Fordson, you are not buying any experiment—you are buying a servant and a money-maker for you that you can depend upon absolutely from the first day you put it to work. It is easy to understand. It possesses all the power you want. It is simple in control. It is more flexible than you imagine. It will help you cultivate every foot of ground you have, and every day in the year you will find use for it on the farm. Its appeal to the farmer is in its dependable service and the wide variety of work it can do.

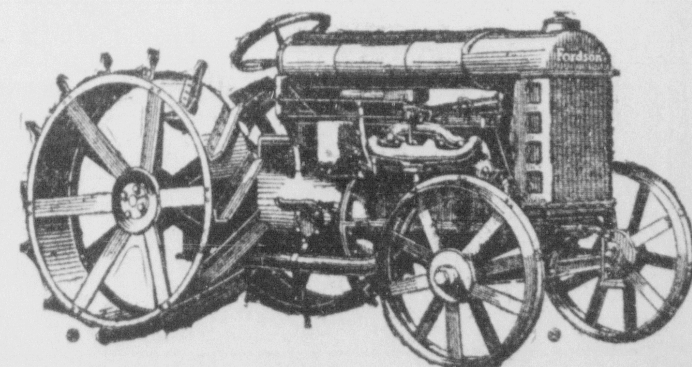

We'd like every farmer that reads this, if he hasn't a Fordson Tractor already, to come to us and let us sell him one. Let us demonstrate its power, its values, on your own farm. Let's get into details—power, reliability, economy. While the sale of a Tractor gives us small profit, the purchase of a Tractor to the farmer means a money-making servant every day for years. So the sale of a Fordson means more to the purchaser than it does to us. We are arguing for your good, Mr. Farmer. Come in and talk it over. Your time against ours. It is worth it.

And remember, when you buy a Fordson Tractor, we are right here to keep that Tractor in reliable running condition every day. You won't have to wait if anything should get out of order. We are right here to keep it right, because one of the conditions of the Fordson Dealer is that he must keep on hand always a complete supply of parts. This is a guarantee we don't believe you can get with any other farm Tractor. Come in. Let's talk it over.

Friends and relatives in this city will be surprised to hear of the engagement of Miss Ella Nebbergall, daughter of Mr. and Mrs. G. L. Nebbergall of near Staunton to Mr. Paul Clutter also of Staunton. Miss Nebbergall has won many friends since she has made this city her home. She was formerly of Dayton, Ohio, where she had many friends, who regretted her removal to this city.

Mr. Clutter who is a prosperous young farmer here also has many friends. He served in the World War with Company M. and was well liked by all his comrades. The date has not been set for the marriage.

Mrs. Charles Wynn has received word of the marriage of her daughter Miss Verda Hamilton, to Mr. Charles Stratton, in Chicago last Thursday.

The charming bride visited her mother recently, returning to her Chicago home a week ago.

A number of relatives and friends here share in the interest of the nuptials.

Mr. and Mrs. Harry Henkle, of Dayton Avenue entertained at an enjoyable dinner Sunday Mr. and Mrs. Tom Bryant, three daughters, Ossil, Lizzie and Cecil and son Ernest, Mr. and Mrs. John McNeil and daughter, Nellie, of Chillicothe, Mr. Elmer Burnett.

Mr. and Mrs. B. A. Machan (nee Carrie Thompson) are now at home in Rochester, N. Y., after a delightful visit with friends of the bridegroom in Cleveland. While in Cleveland they were honor guests at a dinner and a dinner dance, both handsomely entertained by Mr. and Mrs. L. H. Roetker. At the first dinner pink roses and a color scheme of pink and white was used and the dinner dance an elaborate decorative design in green and white was carried out.

Mr. and Mrs. Harry Buchanan, of Washington Avenue, Pleasurably entertained at dinner Sunday, Mr. and Mrs. T. N. Wain, Mr. and Mrs. George Sturgeon and little son, Billy, Miss Helen Conner and Mr. Kenneth Wain.

The last meeting of the Mt. Olive Aid Society was held with Mrs. O. E. Fultz, Mrs. Harry Minton, President, conducting the opening devotionals and business meeting.

Fifteen members responded to roll call with scriptural quotations and one new member, Mrs. Josie McCune, was enrolled.

The society was surprised and delighted with the gift of a beautiful quilt made by Mrs. Emily Bush and Mrs. Charles Engle for the organization. The sale of the quilt, sometime in the near future, will add a nice sum to the treasury.

The next meeting will be held at the home of Mrs. Martin Phynire.

In honor of Mr. and Mrs. Isaac Solars, son Cyril, and Miss Mabel Larriemer, who will soon leave for Florida, Mr. and Mrs. Charles Allemang, South Main street, entertained with a basket dinner Sunday.

Additional guests were Mrs. Noah Smith; Mrs. E. L. Jones, of Jeffersonville; Mrs. Joe Allemang, of Springfield; Mr. and Mrs. L. E. Evans and family, of Bloomingburg; Mr. Will Edwards and Mr. and Mrs. Bernard Edwards; Mr. and Mrs. John Fox-

ter and daughter Miss Marjorie; Mr. and Mrs. Jess Yeoman, Mr. Harold Schultz, Mr. Wayne Bloomer, of Bloomingburg.

An afternoon of genial sociability was spent with music by Mrs. Barnard Edwards at the piano.

Pertinent suggestion in these days of servant difficulties comes the success with which one of Chicago's best known suburbs meets the lack of domestic help.

Evanston's servant problem has been solved and Evanston community kitchen has become a markedly successful institution through the efforts of 3 women whose latest contribution to home-keeping is the introduction of what they say is the most satisfactory thermal container yet perfected. The Evanston kitchen, which is now more than a year old, has become a model after which numerous similar kitchens have been patterned all over the country. It delivers hot meals to the home by motor truck.

A complete meal is prepared in the kitchen, placed in suitable thermal dishes, heated to a high temperature and the portions enclosed in a large glass-lined aluminum thermal container. The food retains its original temperature approximately six hours, so that it is still piping hot when it is delivered to the patron's home by motor truck. The empty dishes are collected the following morning and the housewife is relieved of all concern over her evening meal. For the service, a charge of 85 cents for each meal is made, plus 25 cents delivery charges.

Washington C. H. would certainly welcome a similar solution of her own problem and be indeed grateful to the promoter of a community kitchen.

Fifteen of Miss Stinson's primary grade pupils, gave an attractive little program at her well filled studio Saturday afternoon.

Lorin Garrett, Mabel Wiley and Jessie Baughn were the three students chosen for the best performance who will again appear in the Honorary recital which will conclude the Fall term.

November 26th is the date announced for the next recital of the series to be given by pupils of the intermediate grades.

The boys of Miss Helen Hamm's Sunday School Class of the First Presbyterian Church enjoyed a hike Saturday to the Hamm farm on the Robinson road.

A camp fire was built along the creek and the boys had a jolly time roasting weiners and toasting marshmallows, which with delicious home-made pumpkin pies gave the finishing touches to their picnic dinner.

Games and fishing added to the day's merriment. Miss Mary Plyley assisted Miss Hamm.

The Annual Dollar Experience Meeting of Charlotte Tuttle Sisterhood of the First Presbyterian Sunday School was held at the home of Mrs. M. E. Hitchcock, Friday, November 5th. A bountiful supper was served to 38 members at six o'clock. After the supper hour the roll was called and each one responded with new and varied ways of earning dollars the result of which was a very substantial increase to the class treasury.

The evening was delightfully spent with music and story telling and the appreciation of the entertainment was voiced by the class in a rising vote of thanks to the very efficient committee in charge.

Mrs. Carrie B. Willis entertained at a prettily appointed little supper Saturday evening her daughter, Miss Carrie, and room-mate at Michigan University, Miss Spiker, of Clarksville, Va., who came down from Ann Arbor to see the state-Michigan game in Columbus, and Misses Bessie Casey, Jean Fitzgerald and Lora Ellen Tharp who accompanied them from Columbus. The girls returned Sunday morning.

Last week's Y. W. C. A. luncheon for women drew the largest patronage since the noon luncheon for Tuesday was established.

The women attending were delighted with the well cooked and appetizing menu and many of them are planning to be at the Y. W. C. A. rooms for this Tuesday's luncheon. Miss Mildred Kidd played delightfully for the last one.

Miss Roxie Stinson and Miss Gertrude Oldham went to Columbus Monday to her Mary Garden at Memorial Hall.

Mrs. J. W. Irish, of Lincoln, Ill., is visiting her mother, Mrs. Ione Bryant, and sister, Mrs. Frank Mayer.

BAND IS OFFERED
TO HIGH SCHOOL

As the climax to the most loyal support ever accorded a high school football team in this city prominent business men Monday subscribed funds to take the Whelpiey Band to Circleville Friday when Washington High meets the Circleville High eleven in a return game.

Whether the school officials will accept the proposal, however, remains in doubt, it being announced that Supt. McClain and Principal Probascio were not inclined to favor the movement.

It was stated Monday afternoon by some of the business men back of the proposal to take the band to support the team that the money to pay for the band had been subscribed.

PORTER DARBYSHIRE
DIES ON SATURDAY

Porter Darbyshire, 25, died Saturday evening at the home of his parents, Mr. and Mrs. H. A. Darbyshire in Sabina.

Death followed a long illness of acute dropsy. Until four weeks ago he underwent special treatment at the Cherry Hill Hospital in this city, when it was seen that his chances for recovery were small.

Besides the father and mother, two sister and two brothers survive.

Funeral services will be held Tuesday afternoon at two o'clock and burial will follow in the sabina cemetery.

CHILICOTHE HIGH
TRIMS IRONTONIANS

Chillicothe High School, which plays Washington High here November 20, showed an unexpected amount of strength on the football field Friday afternoon and romped all over the highly touted Ironton High team for a 26 to 7 victory. Chillicothe used a baffling shift play that completely demoralized the Ironton line.

The victory is all the more notable when it is recalled that Ironton held Portsmouth High to a 2 to 2 tie score.

AN INSPIRING SERVICE HELD FOR RED CROSS

Leader of National Nursing
Service Tells Why Red
Cross Must Be Supported.Supplementary Addresses
Made by Chapter Heads
Show Local Conditions.

With Miss Elizabeth Fox, of Washington, D. C., head of the National Red Cross Nursing Department, as the speaker on inspiring Red Cross service in the interest of the Fourth Red Cross Roll call which starts on November 11. Was held at Grace Methodist Church Sunday evening.

T. H. Craig, chairman of the Fayette Red Cross Chapter and Miss Edith Gardner, secretary of the Fayette Chapter, presided and delivered short addresses taking up local phases for supporting the Fourth Roll Call.

War work at home as it is being continued by assisting wounded soldiers and the families of wounded ex-service men was the theme of Miss Gardner's talk while the nursing program was also treated in order that her audience might become more familiarized with conditions locally.

In what the speaker termed an "informal little talk" Miss Fox laid before the large crowd that filled the auditorium of the church numerous reasons why it is impossible for the Red Cross to stop off abruptly in its great campaign of assistance along lines almost as great as those of war time.

She declared that in this case it was an instance of "where there is no vision the people perish" that the Red Cross is the instrument to save the country and that the country needed saving.

Taking up the discussion of why the American Red Cross cannot come out of Europe Miss Fox said that France, Belgium and Italy were fully capable of taking care of themselves but that in the eastern sections, in the Balkans and in the newly formed countries the need for the Red Cross is great.

"The orphan children of these countries must be cared for" she said. Miss Fox stated that are five million war orphans in Europe and that 800,000 of these are without homes.

In showing how the soldier relief must go on the speaker declared that 125,000 families in the United States lost some one in the war. There are still in the hospital, she said, 26,000 wounded men, many of whose families must be assisted to some extent by the Red Cross.

"Another task" it was pointed out by Miss Fox, "is caring for disasters. Last year the Red Cross administered in 125 instances where cyclones, explosions and fires had left their mark."

Much praise for the home hygiene and care of the sick classes was be-

stowed by the noted Red Cross worker. She said she supported a speaker who had declared he was in favor of not allowing a young woman a marriage license until she could show a certificate for a home hygiene class.

In closing Miss Fox said that the Red Cross teaches the children a sense of service and a better understanding of citizenship.

President of the chapter, T.H. Craig thanked Miss Fox for her splendid address and called on every individual to support the Fourth Roll Call. He said that while the Red Cross headquarters at Columbus has set the Fayette county goal at 5,000 that this would be impossible. Every effort to make the enrollment as high as last year will be made, however, he said.

Attention was called by Mr. Craig to the Red Cross pageant on Friday evening, November 19, at the high school auditorium. Mrs. Worrell, the author of the pageant, will be present and assist in directing, and will also take part in the play.

EVANS THREW HIS
CRUTCHES AWAY

Rheumatism And Other Troubles
 Overcome By Tanlac—Nothing
 Else Ever Helped Him

"I had one of the worst cases of
 rheumatism a man ever had, but after
 six bottles of Tanlac I threw my
 crutches away," said Thomas Evans,
 119 West Chestnut Street, Akron,
 Ohio.

"My feet were so swollen at times
 with rheumatism that I could not get
 my shoes on," he continued, "and
 frequently my knee became so swollen
 that I could not get my clothes on. I
 finally became so helpless I could
 not work regularly."

"My stomach was also in bad con-
 dition and I couldn't eat or sleep to
 do any good. I took all kinds of me-
 dicines but my troubles stayed right
 with me. A stranger saw me on the
 street limping one day and asked me
 what the trouble was. I told him
 rheumatism and he said I was in the
 same fix myself until I started taking
 Tanlac."

"He seemed so positive that Tanlac
 would help me that I began taking the
 medicine. The first bottle didn't seem
 to do me any good, but I stuck to it
 and the second bottle began to
 straighten me out and by the time I
 had finished the third bottle I was ac-
 tually back at work again and haven't
 lost a day since."

"I've taken six bottles now and I
 feel as well as I ever did in my life.
 I haven't a sign of rheumatism about
 me and feel so strong and well that I
 am able to do as much work as I ever
 did in my life. My stomach is also in
 perfect condition and I can eat any-
 thing I want with out any bad after
 effects."

"I really feel like a brand new man,
 and I hope some day to meet that
 stranger who advised me to take Tan-
 lac so I can thank him for the advice
 he gave me."

Tanlac is sold in Washington by C.
 S. Haver, in Lowell by Mason's Drug
 Store, in Jeffersonville by J. B. Davis,
 in Octa by I. W. Murphy and in Mil-
 edgeville, E. L. Ford Sons, Lee Ort-

DON'T SUFFER
WITH NEURALGIA

Use Soothing Musterole

When those sharp pains go shooting
 through your head, when your skull
 seems as if it would split, just rub a little
 Musterole on your temples and neck.
 It draws out the inflammation, soothes
 away the pain, usually giving quick relief.

Musterole is a clean, white ointment,
 made with oil of mustard. Better than
 a mustard plaster and does not blister.
 Many doctors and nurses frankly
 recommend Musterole for sore throat,
 bronchitis, croup, stiff neck, asthma,
 neuralgia, congestion, pleurisy, rheuma-
 tism, lumbago, pains and aches of the
 back or joints, sprains, sore muscles,
 bruises, chilblains, frost-bite—cold-
 of the chest (it often prevents pneu-
 monia). It is always dependable.

WASHINGTON HI
IS THE WINNER
AT WILMINGTON

Sixth Straight Victory Of
 Season Tucked Under
 Blue and White Belts.

Great Crowd From This
 City Accompanies Team
 To Wilmington.

Washington high school climbed
 another notch toward an undefeated
 season on the gridiron Saturday af-
 ternoon by defeating the strong Wil-
 mington high eleven 28 to 3, before
 the largest crowd that ever witnessed
 a high school game at the Wilmington
 College field.

Confidently expecting a victory over
 the undefeated warriors coached by
 Charles Moorehead, the Wilmington
 team was given one of the most de-
 cisive upsets experienced by any
 South-Central association team this
 year and while the Blue and White
 four times crossed the Wilmington
 goal line a place kick from the twenty
 yard line was the only scoring in-
 strument effective against the local
 squad.

There were almost as many Wash-
 ington as Wilmington fans on the
 field and every conveyance that left
 the city Saturday bound for Wilming-
 ton carried its share of rooters.

The band of the I. O. O. F. Home
 at Springfield enlivened the afternoon
 and the game took on the aspect of a
 college contest.

First Quarter

Wilmington kicked off to Wash-
 ington and Rogers took the ball. On the
 fake kick-off play Deen carried the
 ball and was dived on the thirty
 yard line. The Washington line
 never played better and began to open
 great holes in the Wilmington de-
 fense. Rogers made forty yards on
 the first play and the ball was not
 over ten yards from the goal. On the
 fourth down Rogers took the ball over
 and Flee booted the ball over the hori-
 zontal.

Washington kicked to Wilmington
 and a Wilmington half almost carried
 the ball for a touchdown. The ball
 was down on Washington's 20 yard
 line and by a perfect place kick Wil-
 mington scored its only three points
 of the game. Washington was headed
 for a touchdown on fifteen yard line
 when the quarter ended.

Second Quarter

Successive line bucks put the ball
 four yards from line and George
 Lamb dashed through for the counter.
 The three new men, Baker, Stewart
 and Davidson, were making holes like
 veterans. The two tackles, Perrill

and Thompson, were getting through
 time after time and throwing the Wil-
 mingtons for a loss while the flank
 men, Hitchcock and Flee, were in al-
 most every play. When the whistle
 blew for the half Washington was
 making a march for another touch-
 down by using straight football and
 but twenty yards were yet to cover.

Score, Washington 14, Wilmington 3

Third Quarter

Wilmington received and failed to
 gain with three forward passes.
 Wilmington punted and Deere
 ran it back several yards. With
 Rogers, Deen, Lamb and Deere work-
 ing in rotation the ball was advanced
 and then Rogers skirted left end for
 thirty yard and a touchdown. Flee
 added the extra point. In this quar-
 ter a beautiful forward pass was com-
 pleted to Hitchcock for fifteen yards,
 but he was slightly injured when
 tackled and Russell Flee replaced
 him a few minutes later. Washington
 21, Wilmington 3.

Fourth Quarter

For the first time in the game Wash-
 ington resorted to the aerial attack

MOTHER TELLS HOW DRECO
RESTORED HER SON'S HEALTH

Confined to bed three months, says
 she never expected to see him
 alive again. Dreco overcame stom-
 ach trouble, weak kidneys and con-
 stipation.

The remarkable recovery from a
 spell of sickness keeping him in bed
 three months, is told by the mother
 of Mr. J. R. Lony a well known farm-
 er of Zanefield, near Bellefontaine,
 Ohio.

"When I left my son's one day I
 felt I'd never see him alive again,
 states the fond mother. His family
 was by his bedside day and night.
 He was living on the lightest food for
 his stomach could not digest any
 other kind. His case was said to be
 liver and stomach trouble. He was
 certainly a sick boy. Bowels hard to
 move, liver very lazy and getting
 weaker every day. We had done

everything we knew so I started back
 to see him. I stopped in the drug
 store at Bellefontaine and got a bottle
 of Dreco and carried it out. Some
 said not to give it to him but I insisted,
 so he took it. That's what got
 him out of bed and put him on the
 road to health. His bowels began to
 act regularly, kidneys got right, his
 stomach was strengthened so that he
 could eat solid food."

"Two months later he surprised me
 by paying me a visit. He had taken
 four bottles of Dreco and considered
 himself about well. His case has
 been the wonder of the entire neigh-
 borhood for every one knew what a
 sick man he was. It is needless to tell
 how grateful we are to this grand
 medicine for what it has done for us."
 All druggists now sell Dreco and it
 is being especially introduced in
 Washington C. H. by Frank Christo-
 pher. — Advt.
